

Bayer, SA and J Altman (1991) NEOCORTICAL DEVELOPMENT Raven Press.

PART II

Embryonic Development of the Neocortex

Chapter 4

The Germinal Matrix of the Developing Rat Neocortex

Chapter 5

The Development of the Primordial Plexiform Layer and its Subsequent Partitioning into Layer I and the Subplate (Layer VII)

Chapter 6

Development of the Cortical Plate

Chapter 7

Stratification in the Cortical Transitional Field

Chapter 8

Quantitative Studies of the Nuclear Area and Orientation in the Developing Neocortex

Chapter 9

Cell Migration in the Developing Neocortex

Chapter 10

Experimental Studies of Neocortical Development Using x-irradiation
